From the Mayor

Mayor
Jackie Meck

The calendar may say it's Fall, but it still feels like summertime in Buckeye. As I was growing up here in Buckeye, summertime meant taking things a little easier, but that's not the case anymore.

This past summer was one of the busiest I can remember with the number of monsoon storms. The city's first responders – Police, Fire, Public Works, Water Resources and Information Technology staff were up all hours of the day and night during and after every storm to ensure

your safety, the streets were clear of debris, traffic lights functioned properly and we were able to communicate with you and each other.

After one particular storm on July 8, more than 14,000 people were without power. Not only were our first responders out there again doing what they do best, every Buckeye employee jumped into action to ensure the city services you rely on were there for you when you needed them most.

I would also like to congratulate one of our first responders, Buckeye Police Officer Andrew Fletcher for being the department's 2017 Officer of the Year. This young officer is the utmost professional. He is completely dedicated to serving the residents of Buckeye. He shows great compassion and pride in everything he does too. Congressman Paul Gosar agrees and made the trip to Buckeye to personally present Officer Fletcher with the award this year.

Other great things happening over the summer include the Buckeye Municipal Airport receiving a \$275,000 grant from the FAA. This grant money will repair and replace asphalt and concrete on the taxiway at the southern end of the airport. In addition, the airport will add edge lighting around the taxiway and ramp area as part of this project too.

We've also been busy planning our popular Fall events you count on and look forward to every year. This includes Oktoberfest, our Halloween Carnival, Veterans Day Parade, Demolition Derby, Holiday Boutique, the Buckeye Marathon, Glow on Monroe and so many more.

The city's website has a calendar feature for you to learn more about each event. These events are a great way to meet your neighbors, experience some of Buckeye's history and spend quality time with your family. I hope to see you at one of these great events.

In partnership with the Arizona Farming & Ranching Hall of Fame we invite you to join us for the launch of a brand new exhibit, "Arizona Farming and Ranching Hall of Fame Celebrates Arizona's Agricultural History." This unique exhibit will be on loan to the Buckeye Valley Museum through December. Join us for a chance to celebrate not only those key players in our Arizona Agricultural History but our very own local contributors.

THE WOMAN WHO SHOT COWBOYS: RODEO PHOTOGRAPHER LOUISE L. SERPA - JANUARY 19 - 10:00 a.m.

Join us for an engaging presentation by Arizona Humanities Road Scholar and award-winning author, Jan Cleere as she brings to life the story of Louise L. Serpa. Born into New York society, Louise ended up out west with her nose buried in the dirt and her eye glued to a camera, becoming the first woman to venture inside the arena and shoot some of the most amazing photographs of rodeo action. This lecture is a perfect way to kick off the upcoming Buckeye Days events.

Open Fridays and Saturdays 11 a.m. - 4 p.m.
Admission is FREE
CLOSED November 23rd and 24th
