Steps for Rebate Approval

1. The City of Buckeye must be your water provider to qualify.
2. Submit Application Form.
3. The Water Resources Department staff will contact you to verify eligibility and to provide a list of qualifying devices
4. Pre-Installation Inspection by Water Resources Department
5. Post – Installation Inspection by Water Resources Department
6. Submit proof of purchase receipt dated on or after January 1, 2010
7. Qualifying rebates will be credited to customer’s water bill
8. Rebates are available on a first-come, first-served basis for a limited budget.

I have read and understand the rebate program requirements and I have discussed the requirements with Water Resources Department Staff.
