

DORFP No. 1 for JOC CONTRACT 2020003 (.01 - .05)
CITY OF BUCKEYE
CONSTRUCTION & CONTRACTING DIVISION

ADDENDUM No. 7

NOTE: Attach to Original DORFP. However, if Proposal has already been returned, complete this amendment and return for attachment to your Proposal by 3:00 p.m., MST, January 27, 2022.

City of Buckeye

SOLICITATION: DORFP No. 1: Verrado Way – Yuma Road to Van Buren Street Intersection Improvements

NOTICE TO CONTRACTORS:

This Addendum forms a part of the Contract and clarifies, corrects, or modifies the original Delivery Order Request for Proposal documents prepared by the City of Buckeye.

Bid Due Date and Time: January 27, 2022, no later than 3:00 p.m., MST

THE FOLLOWING QUESTIONS WERE ASKED BY CONTRACTORS:

Q1. Could you please clarify the RGRCP will be class V or class IV? Class V is shown on the plans but class IV is listed on the schedule of values.

A1. Quantity of A poles have been adjusted on the attached revised 1/11/22 SOV. Quantity 1 is correct.

Q2. Please verify quantity of Pole (Type A). TS Plans only show 1

A2. PB pole quantities have been verified on attached revised 1/11/22 SOV. Quantity 5 is correct.

Q3. Please verify quantity of Pole (Pedestrian Post). TS Plans show 5

A3. IISNS are included in qtys/specs as bid item #59. Thus they will be furnished/installed by contractor.

Q4. Traffic Signal plans show new Illuminated Street Name Signs. Are these to be furnished and installed by Contractor? There is no bid item for these.

A4. Traffic signal conductors are included in item #53. Previously just called 'conductors,' has been renamed to 'Traffic signal conductors' for clarity.

Q5. What bid item should the Traffic signal conductors be included in?

A5. The dual mast arm light fixtures are part of the ultimate roadway lighting plan. The current plan set does not show these.

Q6. There are street lighting photometric plan sheets included in the bid package. Those plans show dual mast arms and fixtures. Are these plans part of this project?

A6. The RCRCP's are to be class V. The qtys had class IV mistakenly and has been revised to say that.

The balance of the specifications and instructions remain the same. Offerors must acknowledge receipt and acceptance of this amendment by returning the entire Addendum with the Delivery Order Request for Proposals.

NOTE: REVISED Schedule of Values (SOV) dated 1/11/22 is attached and incorporated into this Addendum #7. Please be sure to bid from this final SOV. Thank you.

PLEASE ACKNOWLEDGE YOUR FIRM'S RECEIPT OF THIS AMENDMENT BY SIGNING THE ATTACHED SOLICITATION AMENDMENT ACKNOWLEDGEMENT.
