BUCKEYE, AZ

Nov 17, 2022

The City of Buckeye Public Works Department is here for you with news you can use. Take a look below to stay in the know and help keep Buckeye clean.

- Service interruption
- Household Hazardous Waste
- Bulk Trash
- Too Much Trash?
- Pollution Prevention Report

Thanksgiving Service Interruption

In observance of the Thanksgiving holiday, all city offices will be closed on Thursday, Nov. 24.

There will be no trash or recycling collection on Thanksgiving Day. Thursday's service will move to Friday, and Friday's service moves to Saturday.

Please have your container out the night before your collection day.

Here are a few reminders while preparing for the Thanksgiving holiday:

- Never pour grease down the drain since it can clog sewer lines
- You can drop off used cooking oil as [household hazardous waste](#)

Christmas and New Year's Day will not have trash service interruption. To see your trash, recycling and bulk trash schedule, please visit buckeyeaz.gov/trash

[More Info](#)

Household Hazardous Waste

Providing safe disposal of large amounts of cooking oil, paints, automotive fluids and potentially dangerous household items is an important part of safe trash collection. Residents may schedule a drop off of household hazardous materials by completing a form

at buckeyeaz.gov/HHW. Public Works staff will call you to set the time and date.

This includes: pesticides, herbicides, fertilizers, used cooking oil, auto fluids, paint, batteries, pool chemicals, cleaners, and more.

For safe storage, all materials must be in sealed containers.

[More Info](#)

Bulk Trash

When you have trash that is too bulky to fit in your trash can, you can place it out for the quarterly Bulk Trash collection. Your schedule is available [online](#), and you can get email reminders through our website and don't forget you can always use the Southwest Regional Landfill too!

[Read More](#)

Missed service info

If your trash, recycle, or bulk trash was missed, please check out our alerts on the main trash webpage at buckeyeaz.gov/trash. Drivers may run out of time and need to return the next day or carts may be too full to receive service. When there is a miss, please let us know by filling out this [form](#), or calling customer service at 623-349-6100.

Please don't forget, all material should be placed out the night before service and overloaded cans will cause messy spills and might not receive service.

Each year, Public Works submits a report on our activities to keep stormwater clean and protect our washes and rivers. [View our 2022 report](#) and check out our updated action plan, the new Stormwater Permit and provide your comments.

Thank you for doing your part as we all work together to
Help Keep Buckeye Clean.

Please let us know how we may help, feel free to [contact us here.](#)
