1. *Pre-Application Conference ("PAC") Process* – **Prior to filing an application for a CMP or PAD, the applicant must complete the PAC review process.** Forms to apply for a PAC review are available through the Development Services

Department or on the City's website ([www.buckeyeaz.gov/business/development-services/planning-zoning](http://www.buckeyeaz.gov/business/development-services/planning-zoning)).

2. *Application Filing* – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. It shall be the responsibility of the applicant to ensure the accuracy and completeness of the request. Applications received after 4:00 p.m. will be processed the next business day. Incomplete applications will NOT be accepted.
3. *Staff Review* – Once a complete application is received and processed, the submitted information will be assigned to a Planner and routed to appropriate City staff and agencies for review/comment. After this review, the comments are then returned to the applicant. Any technical questions should be addressed with the assigned Planner who will facilitate any needed communications or meetings with the appropriate city departments.

The applicant is then responsible for addressing the comments and submitting revised plans. Upon resubmittal, the staff review process will begin again albeit at an expedited pace. In some cases, it is necessary to have several resubmittals before moving the request forward in the process.

4. *Public Notification* – Upon the scheduling of any public hearing and no later than fifteen (15) days prior to its occurrence, it is the responsibility of the applicant to notify all property owners within three hundred (300) feet of the subject property. Failure to submit the requested information will result in the postponement of the public hearing item.

The Director may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary.

5. *Citizen Participation Report Submittal* – The Citizen Participation Report (“CPR”) must be submitted to the assigned Planner prior to the first public hearing. This report to give results of the applicant’s citizen participation effort which includes a neighborhood meeting. Failure to submit the CPR will result in the continuance of the project to the next available public hearing date. The CPR is a written

report outlining the results of the citizen participation effort. The minimum requirements of the CPR can be found in Section 8.2.3.I of the Development Code.

6. *Staff Reports* – Once all staff comments have been addressed and a hearing has been scheduled, the assigned Planner will prepare a report describing and evaluating the proposed project and making a recommendation for action to the Planning and Zoning Commission. Copies of the staff report will be made available to the public and sent to the applicant prior to each hearing.

9. *Inactive Cases* – All applications need to be actively pursued to a decision. If the City has completed any and all appropriate reviews and no activity has occurred for the continued processing of the application on behalf of the applicant for at least for one hundred eighty (180) days, the application will be considered inactive, deemed to be withdrawn, and the file will be closed. Thirty (30) days prior to the inactive date, staff will notify the applicant in writing of the impending action.
