APPLICATION PROCEDURES

The following information is provided to assist in the preparation and submittal of an application for a Site Plan Review for a property within the City of Buckeye.

1. *Pre-Application Conference ("PAC") Process* – **Prior to filing an application for a Site Plan, it is highly recommended that the applicant complete the PAC review process.** Forms to apply for a PAC review are available through the Development Services Department or on the City's website (www.buckeyeaz.gov).
2. *Application Filing* – For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of formal submittal. It shall be the responsibility of the applicant to ensure the accuracy and completeness of the request. Applications received after 4:00 p.m. will be processed the next business day. Incomplete applications will NOT be accepted.
3. *Notice of Application* – Within 15 days of the date of application, the applicant shall provide a written "Notice of Application" for properties within 300' of the site boundaries. An "Affidavit of Mailing" shall then be provided to the assigned Planner certifying that a notice of application was mailed in accordance with the requirements of the Development Code. Please note the Director may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary.
4. *Staff Review* – Once a complete application is received and processed, the submitted information will be assigned to a Planner and routed to appropriate City staff and agencies for review/comment. After this 1st review (approx. 16 business days), the assigned Planner collects and consolidates the comments, which are then returned to the applicant by the Plans Coordinator or the Planner at a Technical Advisory Committee (TAC) meeting. The TAC meeting will be scheduled at the discretion of the assigned Planner and is designed for technical discussion between the applicant's development team and reviewing City Departments.

The applicant is then responsible for addressing the comments and submitting revised plans. Upon resubmittal, the staff review process will begin again albeit at an expedited pace (approx. 8 business days). In some cases, it is necessary to have several resubmittals before moving the request forward in the process.

5. *Administrative Site Plan Review* – Once all staff comments have been addressed, the assigned Planner will prepare a report describing and evaluating the proposed project and making a recommendation for action. The Director, taking

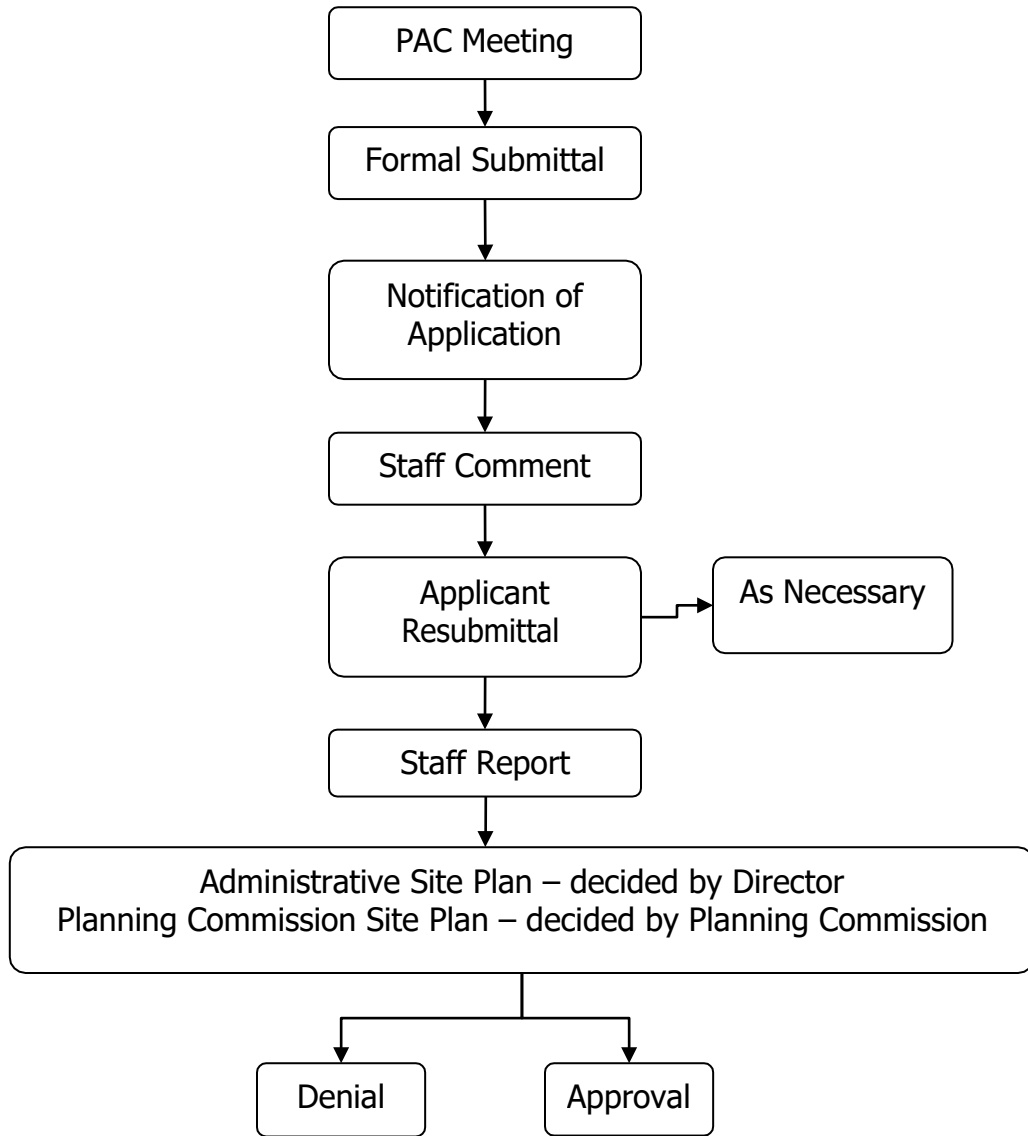

SITE PLAN REVIEW

Revised May 2021

into consideration staff recommendation, will approve, approve with stipulations, or deny the request. The Director may also defer decision to the Planning Commission. Appeals of Administrative Site plan decisions can be made to the Planning Commission in accordance with the Development Code.

6. *Planning Commission Site Plan Review* – Once all staff comments have been addressed and a meeting has been scheduled, the assigned Planner will prepare a report describing and evaluating the proposed project and making a recommendation for action to the Planning and Zoning Commission. Copies of the staff report will be made available to the public and sent to the applicant prior to the meeting. *Planning and Zoning Commission Public Meeting* – Regular Planning and Zoning Commission hearings / meetings occur on the second (2nd) and fourth (4th) Tuesday of each month at 6:00 p.m. Regular meetings are currently held virtually via the Microsoft Teams platform due to the COVID-19 pandemic. The applicant, owner, or appointed representative must be present at the meeting. The Planning and Zoning Commission, taking into consideration staff presentation, owner/applicant/project representative presentation, and public testimony, will approve, approve with modifications and/or stipulations, continue or deny the request. Appeals of Planning Commission Site Plan decisions can be made to the City Council in accordance with Section 8.9.4.H.2. The public has the option to email comments to planningandzoning@buckeyeaz.gov, complete a comment form to comment by phone on the Planning and Zoning Agendas, Motions and Minutes webpage, and/or can listen in to meetings live streamed on the City of Buckeye YouTube Channel.
7. *Inactive Cases* – All applications need to be actively pursued to a decision. If the City has completed any and all appropriate reviews and no activity has occurred for the continued processing of the application on behalf of the applicant for at least for one hundred eighty (180) days, the application will be considered inactive, deemed to be withdrawn, and the file will be closed. Thirty (30) days prior to the inactive date, staff will notify the applicant in writing of the impending action. The applicant may submit a written request for the application to remain active along with an explanation for the inactivity. The Director may grant an extension for up to one hundred eighty (180) days for good cause if there is reasonable belief that the application will be actively pursued during the extension period.
8. *Amendments* – Any change to a site plan is subject to Article 8 of the Development Code.
