**Municipal Planning Area\***

\* This boundary represents the spatial extent of the Municipal Planning Area (MPA) of the City of Buckeye. As the City continues to annex new land, some infilling within the MPA boundary will occur.

\*\* There is a light and dark component to each district. The darker areas represent the unincorporated areas of Buckeye otherwise known as Maricopa County. Conversely, the areas represented by lighter shading correspond to incorporated City of Buckeye as of the date of the map.
